

Mahidol University Announcement
on Student Admission for
the Bachelor of Engineering Program in Industrial Engineering
(International Interdisciplinary Program) with a Major in Dairy and Beverage Engineering
Faculty of Engineering
Direct Admission (Round 3) by Faculty, Academic Year, 2020

Faculty of Engineering is now open for the submission of applications to the Bachelor of Engineering in Industrial Engineering with a Major in Dairy and Beverage Engineering (International Interdisciplinary Program). Hereby, we announce the details on admission for the Academic year, 2020.

1. Expected number of students: 10 Students

2. Admission requirements

2.1 The applicant must have earned one of the academic qualifications as follows:

2.1.1 The applicant is currently studying Mathayom 6 and holding Accumulated Grade Point Average (GPAX) not less than 2.80 out of 4.00 during at least 4 recent semesters.

2.1.2 The applicant is currently studying in the last academic year at an international high school in Thailand.

2.1.3 The applicant is currently studying in the last academic year at a high school abroad.

2.1.4 The applicant has earned a diploma or a certificate equivalent to high school education.

2.2 The applicant meets the English proficiency requirement by achieving a minimum score in one of the following English proficiency exams (if applicable):

2.2.1 IELTS Academic Test	at least	5.0
2.2.2 TOEFL Paper-based (TOEFL-ITP)	at least	500
2.2.3 TOEFL Computer-based (TOEFL-CBT)	at least	173
